

# SIR JOHN BALCOMBE

— LONDON —

Since the 1830s, there has been a pub at this site... under a variety of names. It is situated just around the corner from Dorset Square, claiming the distinction of having been the site of the first Lord's cricket ground. Lord's Old Ground occupied the site during 1787–1811, when a dispute over rent saw the MCC move first to a site near Regent's Park, then to its current site in St John's Wood.
