### Do you have any allergies?

Full allergen information is available for all dishes. Please ask a team member before you order your food and drink, as menus do not list all ingredients. However, we cannot fully guarantee that products are '100% free from' allergens, owing to cross-contamination, as we do not have specific allergen-free zones in our kitchens; therefore, it is not possible to fully guarantee allergen separation. Even if you have eaten a dish previously, please inform staff of any food allergies before placing your order, so that every precaution may be taken in the kitchen to prevent cross-contamination. We cannot guarantee that any dishes are free from nut traces.
