# WELCOME TO MONUMENT

Right between Bank and London Bridge, Be At One Monument brings that classic City energy with a laid-back feel. Set across two levels, it's got a light, open bar upstairs and an intimate basement space below—ideal whether you're popping in for after-work cocktails or hosting a full-blown private event.

The basement bar is available for exclusive hire and gives you your own space without missing out on the hype. Upstairs is perfect for more casual catch-ups, with plenty of space to sip and soak up the atmosphere.

Whether you're planning something low-key or going all out, this place is ready to flex around you—with cocktails that always hit, and a team that knows how to bring the good times.

Looking for a party that blows the usual post-work social out of the water? You've found the right place.
