# WELCOME TO REGENT STREET

(OUR LITTLE SPOT IN SOHO)

As you'd expect from Soho, our look is sharp – industrial steel with a modern edge and just enough glamour to feel like a treat. **We've got two large bars across two rooms, plus a smaller private bar tucked away in the Gold Room** (yes, it's as fancy as it sounds).

Why so many bars? Because choice matters. Whether you're keeping it intimate or taking over the space, we've got private and semi-exclusive areas that flex to your group. Plenty of space to chat, dance, celebrate – or all three.

Looking for a party that blows the usual post-work social out of the water? You've found the right place.

**YOUR GROUP. OUR SPACE. ONE GREAT NIGHT.**

The background is a gradient of blue, from a lighter cyan at the top to a darker navy blue at the bottom. Two bright cyan diagonal lines cross the entire page, forming an 'X' shape. In the center, there is a semi-transparent rectangular box. Inside this box is a yellow-outlined hexagon. The text 'BE AT ONE' is centered within the hexagon. 'BE' and 'ONE' are on the top and bottom lines respectively, while 'AT' is on the middle line, underlined.
