

# THE CRUTCHED FRIAR

# THE PERFECT SPACE FOR EVERY OCCASION

Step into history at *The Crutched Friar*, named after the Roman Catholic order of cross-bearing brethren who settled on this site in 1249.

The friars, known for the staff they carried topped with a crucifix, lived here until the order was dissolved by Henry VIII during the Dissolution of the Monasteries (1536–1541).

Whether you're planning a casual lunch, after-work drinks, or a special celebration, our historic venue is the perfect setting.

*The Crutched Friar* can host private events for up to 176 guests, including exclusive use of our charming courtyard for up to 60.
