# TESTIMONIALS

Salsa Temple were a fabulous venue to work with and accommodated all of our tech and set up needs on the day. The team were very professional in advance and were patient with us during the run throughs on various aspects of our event. Would highly recommend for any function or corporate party.

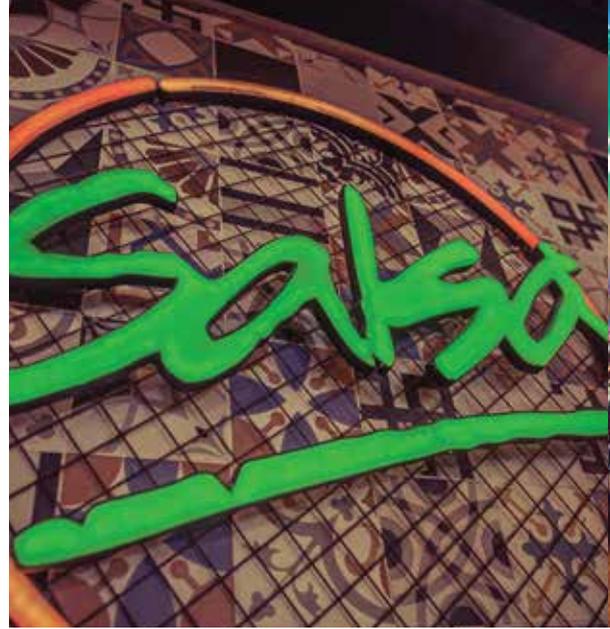

We booked Corporate Events on a monthly basis at different venues around central London, the location, venue and food and drinks packages were all top class and the Manager and Staff were super helpful. We will definitely be returning again in the future. Great night thank you!

Salsa! Temple will not let you down - their staff were absolutely spot on - I have to say all the staff at Temple Salsa excelled themselves especially the managers. The food was faultless, everyone commented on how delish it was and the drinks were as expected there were no issues. Really easy cloakroom and toilet access. Our sincere thanks and we would absolutely recommend to anyone.

What an amazing venue to hold an event! Everything from the clear and prompt pre-event communication, to the vibrant interior decoration to the friendly, accommodating staff and delicious (strong!) drinks was spot on! I've used Bar Salsa Temple on several occasions now and would highly recommend it as an event venue. The guests had a brilliant time and I'd particularly recommend tagging a dance class into your agenda as they are a lot of fun!" Lia Fyles. Race Director, London Landmarks Half Marathon.
