Do you have any allergies?

Full allergen information is available for all dishes, please ask a team member before you order your food and drink, as menus do not list all ingredients.

We have taken all reasonable steps to avoid the unintentional presence of allergens. However, we cannot fully guarantee that products are '100% free from' allergens, owing to cross-contamination, as we do not have specific allergen free zones in our kitchens and it is therefore not possible to fully guarantee separation of allergens. Please inform staff of any food allergies, before placing your order, even if you have eaten the dish previously, so that every precaution can be taken in the kitchen to prevent cross-contamination. We cannot guarantee that any dishes are free from nut traces. Fish and poultry dishes may contain bones. All weights are approximate uncooked. Please note that we do not operate a dedicated vegetarian/vegan kitchen area. (V) Suitable for vegetarians. (VG) Suitable for vegans. (VG-M) Suitable for Vegans, however produced in a factory which handles milk and/or egg, with a 'may contain' warning. Buffets are for a minimum of 10 people.

These packages are available through pre-order only and may require a deposit or full payment to secure the booking. Please discuss with management at the time of booking.
