Do you have any allergies?

Full allergen information is available for all dishes, please ask a team member before you order your food and drink, as menus do not list all ingredients. However, we cannot fully guarantee that products are '100% free from' allergens, owing to cross contamination, as we do not have specific allergen free zones in our kitchens and it is therefore not possible to fully guarantee separation of allergens. Please inform staff of any food allergies, before placing your order, even if you have eaten the dish previously, so that every precaution can be taken in the kitchen to prevent cross-contamination.

We cannot guarantee that any dishes are free from nut traces.
