### Do you have any allergies?

Full allergen information is available for all dishes, please ask a team member before you order your food and drink, as menus do not list all ingredients. We have taken all reasonable steps to avoid the unintentional presence of allergens. However, we cannot fully guarantee that products are '100% free from' allergens, owing to cross-contamination, as we do not have specific allergen free zones in our kitchens and it is therefore not possible to fully guarantee separation of allergens. Please inform staff of any food allergies, before placing your order, even if you have eaten the dish previously, so that every precaution can be taken in the kitchen to prevent cross-contamination. We cannot guarantee that any dishes are free from nut traces.

Fish and poultry dishes may contain bones. All weights are approximate uncooked. Management reserves the right to refuse custom and/or withdraw/change offers (without notice), at any time. Prices include VAT, at the current rate.

All products and offers are subject to availability. At Stonegate Pub Company, all tips earned by our hard-working team members, from delivering great customer service, are retained by them.

As we process credit-card tips through our payroll, we are required to make statutory deductions. If a service charge is added to the bill, this is entirely discretionary and is paid to those team members providing the service.

Please note that we do not operate a dedicated vegetarian/vegan kitchen area. (V) Suitable for vegetarians. (VG) Suitable for vegans.
