

## **Eat Out to Help Out and Protect Jobs**

The Government has put several initiatives in place to help businesses and customers to make their pound stretch a little further, including a VAT reduction to help reinvigorate hospitality and protect jobs, and the 'Eat Out to Help Out' discount scheme enabling customers to benefit from 50% off food and soft drinks throughout August.

The good news is that within Stonegate pubs and bars we are going early with part of the 'Eat Out to Help Out' promotion!

From Monday 20<sup>th</sup> July customers ordering food Monday to Wednesday will receive 50% off. - note for the first two weeks this will not include non-alcoholic drinks and will not be redeemable on existing promotions, this is due to work needed to be carried out on the till infrastructure to administer this element, which we are aiming to have done in time for the full launch on 3<sup>rd</sup> August
